1. Introduction

The European Commission (hereafter ‘the Commission’) is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data, the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

This privacy statement concerns the processing operation *Organisation and management of Commission expert group meetings* undertaken by the European Commission Directorate- General Taxation and Customs Union, Unit A6: Rules of Origin and Valuation as presented below.

For the purpose of this privacy statement and the corresponding record, the term “expert groups” describes Commission expert groups in the sense of Article 2(1) of Commission Decision C(2016)3301 of 30 May 2016¹ and their sub-groups, as well as other similar entities in the sense of Article 2(2) of Commission Decision C(2016)3301 and their sub-groups.

2. Why and how do we process your personal data?

Purpose of the processing operation: The European Commission collects and uses your personal information only for the organisation, preparation, management and follow-up of expert groups meetings. More specifically, this concerns the following processing activities:

- communication activities such as sending e-mails and invitations (this entails the management of contact lists for correspondence);
- exchange of meeting documents (notably through information sharing and circulation of documents via e-mail, the Advanced Gateway to EU Meetings (AGM) online system for meeting organisation (see Record of processing DPR-EC-01141 - Information system supporting the organisation of meetings (former notification DPO-3911)) or CIRCABC (see Record of Processing [DPR-EC-01666 - CIRCA and CIRCABC – Global User Directory](#) (former notification [DPO-1008](#)))) and sharing of information with other Commission services to follow-up on the expert group meeting concerned;
- organisational and administrative activities to ensure the participants' access to Commission premises (see [Record of Processing DPR-EC-00655 \(Commission Physical Access Control System \(PACS\)\)](#));

¹ Commission Decision C(2016)3301 of 30 May 2016 establishing horizontal rules on the creation and operation of Commission expert groups.

- reimbursement of travel, subsistence costs or payment of special allowances in the sense of Article 21 of Commission decision C(2016) 3301 (see Record of Processing [DPR-EC-00301 - Legal Entities and Bank Accounts](#) (former notifications [DPO-372](#) and [DPO-300](#)));
- [audio-visual recording of the meetings](#) for the purpose of drafting minutes (see Record of Processing DPR-EC-01937 (Audio-visual recording of meetings));
- [publication of minutes of meetings, including list of participants](#) , in the [Register of Commission expert groups and other similar entities](#) ('the Register of expert groups') for reasons of transparency. The minutes and the list of participants include the names of individuals appointed as members in a personal capacity, who are due to either act independently and in the public interest, or to represent a common interest shared by stakeholders in a particular policy area. The minutes may also include the positions of these individuals as expressed at the meeting. In the case of organisations, Member States' authorities and other public entities, the names of their representatives may only be included in the minutes and published in the Register of expert groups subject to their prior freely given, specific, informed and unambiguous consent, in compliance with Article 3(15) and Article 7 of Regulation (EU) 2018/1725. Furthermore, in agreement with the competent Commission department, the expert group may, by simple majority of its members, decide that deliberations shall be public, in compliance with Article 13.6 of Commission Decision C(2016)3301 of 30 May 2016 establishing horizontal rules on the creation and operation of Commission expert groups.

Your personal data will *not* be used for an automated decision-making including profiling.

3. On what legal ground(s) do we process your personal data

We process your personal data, because processing is necessary for the performance of a task carried out in the public interest (Article 5(1)(a) of Regulation (EU) No 2018/1725).

Expert groups play an important role in enabling the Commission to collect advice and views from a variety of key actors, such as Member States' authorities, private stakeholders, scientists and professionals. The Commission uses advice and expertise received as a basis for sound policy making and implementation.

The natural way for the Commission to obtain the opinion of the expert groups is in meetings. Furthermore, preparing minutes of the meetings of expert groups allows for the proper documentation of the work of the expert groups and also increases the transparency on expert groups and their work.

Processing of your personal data is also necessary to comply with a legal obligation to which the controller is subject (Article 5(1)(b) of Regulation (EU) No 2018/1725), namely Commission Decision C(2016)3301 of 30 May 2016 establishing horizontal rules on the creation and operation of Commission expert groups, and in particular its Articles 13, 20 and 26.

The latter Commission Decision also constitutes the Union law on which the processing under Article 5(1)(a) and (b) of Regulation (EU) No 2018/1725 is based.

For specific processing activities the consent of the data subject is necessary: The names of representatives of organisations, Member States' authorities and other public entities are included in the minutes of the meetings only subject to their prior freely given, specific, informed and unambiguous consent, in compliance with Article 3(15) and Article 7 of Regulation (EU) No 2018/1725.

4. Which personal data do we collect and further process?

In order to carry out this processing operation the Data Controller may collect the following categories of personal data:

- Personal data necessary for organising and managing meetings such as gender (Mr/Ms), name, organisation to which he/she belongs, e-mail address, phone/fax number;
- Personal data necessary for security (access control to Commission premises) such as ID card/Passport number and date of birth, name, surname, organisation he/she belongs to, gender;
- Personal data necessary for reimbursements purposes such as name, means of transport, hotel accommodation and banking details;
- Personal data necessary for payment of special allowances, such as name and banking details;
- Personal data included in the minutes of meetings, such as names of meeting participants and their positions expressed (in case of representatives of organisations, Member States' authorities and other public entities, only based on their prior freely given, specific, informed and unambiguous consent, if at all).
- Personal data necessary for establishing the attendance list and the minutes: signature, audio-visual recording of the meeting.

If you do not provide these personal data, possible consequences are the impossibility to attend meetings and/or to be reimbursed or paid.

We have obtained your personal data either directly from you, via the competent National department, other public entity or organisation that you work for or via the Permanent Representation of your country in Brussels.

5. How long do we keep your personal data?

The Data Controller only keeps your personal data for the time necessary to fulfil the purpose of collection or further processing, namely for a maximum of 5 years after closure of the file to which the personal data processed belongs. The documents related to the work of the expert groups are transferred to the Historical Archives for permanent preservation².

The 'administrative retention period' of five years is based on the retention policy of Commission documents and files (and the personal data contained in them), governed by

² For the processing operations concerning the Historical Archives, please see legacy notifications: 'DPO-3871-3 Notification for the digital archival repository and ARCHISscanning' and 'DPO-2806-5 Gestion des dossiers papier structurés par nom de personnes et transférés aux Archives Historiques'.

the common Commission-level retention list for European Commission files ([SEC\(2019\)900](#)).

It is a regulatory document in the form of a retention schedule that establishes the retention periods for different types of Commission files. That list has been notified to the European Data Protection Supervisor.

The ‘administrative retention period’ is the period during which the Commission departments are required to keep a file depending on its usefulness for administrative purposes and the relevant statutory and legal obligations.

This information is without prejudice to longer retention periods which may apply to personal data processed for the purpose of reimbursing travel and subsistence costs, payment of special allowances and ensuring the participant's access to Commission premises based on the dedicated processing operations notified to the DPO by the responsible Commission departments ([Records of Processing DPR-EC-00655 \(Commission Physical Access Control System \(PACS\)\)](#) and [DPR-EC-00301 - Legal Entities and Bank Accounts \(former notifications DPO-372 and DPO-300\)](#)).

6. How do we protect and safeguard your personal data?

All personal data in electronic format (e-mails, documents, databases, uploaded batches of data, etc.) are stored either on the servers of the European Commission or of its contractors. All processing operations are carried out pursuant to the [Commission Decision \(EU, Euratom\) 2017/46](#) of 10 January 2017 on the security of communication and information systems in the European Commission.

The Commission’s contractors are bound by a specific contractual clause for any processing operations of your data on behalf of the Commission, and by the confidentiality obligations deriving from the General Data Protection Regulation in the EU Member States ([‘GDPR’ Regulation \(EU\) 2016/679](#)).

In order to protect your personal data, the Commission has put in place a number of technical and organisational measures. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. Organisational measures include restricting access to the personal data solely to authorised persons with a legitimate need to know for the purposes of this processing operation.

7. Who has access to your personal data and to whom is it disclosed?

Access to your personal data is provided to the Commission staff authorised for carrying out this processing operation and to other authorised Commission staff according to the “need to know” principle. Such staff abide by statutory, and when required, additional confidentiality agreements.

More specifically, the following Commission staff have access to certain parts of the personal data:

- Authorised staff of the European Commission's Directorate-General for Human Resources and Security have access to the personal data necessary for providing access to European Commission premises;

- Authorised staff of the European Commission's Directorate-General for Budget and the Paymaster Office (PMO) have access to the personal data needed for reimbursement purposes and payment of special allowances;
- Authorised staff of the European Commission's Directorate-General for Interpretation (SCIC) as meeting room and equipment providers have access to the audio-visual recordings of the meetings;
- Authorised staff of other European Commission departments involved in the policy follow-up to a specific expert group meeting.

The minutes of expert group meetings are made public on the Register of expert groups and in some cases contain personal data, as explained under Heading 2 of this privacy statement.

Please note that pursuant to Article 3(13) of Regulation (EU) 2018/1725, public authorities (e.g. Court of Auditors, EU Court of Justice) which may receive personal data in the framework of a particular inquiry in accordance with Union or Member State law shall not be regarded as recipients. The further processing of those data by those public authorities shall be in compliance with the applicable data protection rules according to the purposes of the processing.

The information we collect will not be given to any third party, except to the extent and for the purpose we may be required to do so by law.

8. What are your rights and how can you exercise them?

You have specific rights as a 'data subject' under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access your personal data and to rectify them in case your personal data is inaccurate or incomplete. Under certain conditions, you have the right to erase your personal data, to restrict the processing of your personal data, to object to the processing and the right to data portability.

You have the right to object to the processing of your personal data, which is lawfully carried out pursuant to Article 5(1)(a) of Regulation (EU) 2018/1725, on grounds relating to your particular situation.

To the extent you consented to the publication of some of your personal data, you can withdraw your consent at any time by notifying the Data Controller. The withdrawal will not affect the lawfulness of the processing carried out before you have withdrawn the consent.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given under Heading 9 below.

Where you wish to exercise your rights in the context of one or several specific processing operations, please provide their description (i.e. their Record reference(s) as specified under Heading 10 below) in your request.

Any request for access to personal data will be handled within one month. Any other request mentioned above will be addressed within 15 working days.
