# E-Invoicing Exchange Summit Singapore: Advancing Digital Transformation Across Borders

*Switzerland, September 2025* – The E-Invoicing Exchange Summit APAC will take place from November 25 and 26, 2025, in Singapore. This premier event will convene global experts, innovators, and practitioners to explore the cutting-edge developments in E-Invoicing, Continuous Transaction Controls (CTC), tax compliance, and cross-border interoperability. With a strong focus on regulatory evolution and digital readiness, the summit will serve as a vital platform for shaping the future of digital business processes in the Asia-Pacific region and beyond.

**During the conference on November 25 and 26, participants can expect:**

- + Presentations covering topics such as cross-border interoperability, Peppol developments, real-time reporting mandates, and the role of compliance in driving innovation.
- + High level panel discussions exploring how to drive digitization across APAC
- + Interactive Roundtables enabling in-depth, peer-to-peer discussions on emerging challenges and practical solutions

Exclusive Networking Opportunities:

Attendees will also benefit from a range of networking events, including the **Icebreaker Reception** and the **Networking Dinner**—providing a relaxed and engaging atmosphere to connect with industry peers, government representatives, and solution providers
