

E-INVOICING · SAF-T · DIGITAL REPORTING

The week in e-invoicing & SAF-T. Eight updates in 60 seconds.

Official developments published or taking effect from 15–23 June 2026 across eight markets. **What changed, what it means operationally, and where to read the source.**

DATE	COUNTRY / AREA	TOPIC UPDATE	OPERATIONAL IMPACT	SOURCE
23 Jun	Italy E-REPORTING CHANNEL	The EV-charging receipts channel opened for electronic transmission of transaction data; an initial 45-day filing window applies.	Register and test Energy Server flows; schedule the opening-period catch-up submission.	View agenziaentr ate.gov.it
19 Jun	Norway DIRECT E-IN VOICING	Government put the B2B timetable into force: e-invoice issuance by 1 Jan 2027; digital bookkeeping / automated receipt by 1 Jan 2030.	Lock the roadmap and assess outbound invoicing plus accounting-system readiness; monitor format and exemption rules.	View regjer ingen.no
19 Jun	United Kingdom B2G GUIDANCE	Cabinet Office refreshed Procurement Act guidance: public contracts must accept and process undisputed EN 16931 structured e-invoices.	Guidance refresh, not a new mandate. Align public-sector contract, intake and payment controls.	View gov.uk
17 Jun	India E-INVOICE API	GSTN detailed e-Invoice / e-Way Bill API changes: conditional Ship-to GSTIN, new export fields and voluntary EWB closure; production 1 Aug.	Update IRN/EWB payloads and validations; test revised APIs and closure flows in sandbox before 1 Aug.	View gst.gov.in
16 Jun	Poland SAF-T / JPK	JPK interface specification v5.5.0 became effective, updating 400-error codes and documenting TLS 1.2 / 1.3 security configuration.	Refresh submission clients, error mapping and TLS settings; regression-test production upload flows.	View podatki.gov.pl
16 Jun	Congo (Brazzaville) CERTIFIED E-IN VOICING	Finance Ministry launched the national awareness and readiness campaign for the certified electronic invoicing system (SFEC).	Confirm the certified connection route and complete onboarding / testing ahead of rollout.	View finances.gouv.cg
15 Jun	Slovakia DRAFT E-INVOICING	Consultation closed on LP/2026/282, a draft VAT amendment fine-tuning the planned 2027 eFaktúra regime.	Keep 1 Jan 2027 readiness in scope; track the final text before relying on proposed transitional relief.	View slov-lex.sk
15 Jun	Chile INFRASTRUCTURE	SII announced maintenance affecting an electronic-invoice application until 21:00 on 15 June.	Operational event only: confirm contingency and retry procedures, and check for stuck submissions.	View sii.cl
